

INFO PACK

Advanced Training on Sea governance and blue growth: balancing sustainable use and conservation through Marine Spatial Planning (MSP) in the field of fisheries and aquaculture

Trieste (Italy) 23 – 27 September 2019

Dear participant,

Hereby you may find all the necessary information regarding your travel to Trieste your accommodation in the city and the training activities foreseen in the Advanced Training **Sea governance and blue growth: balancing sustainable use and conservation through Marine Spatial Planning (MSP) in the field of fisheries and aquaculture.**

With this information pack you will also receive a provisional agenda of the training activities.

1. Your flight

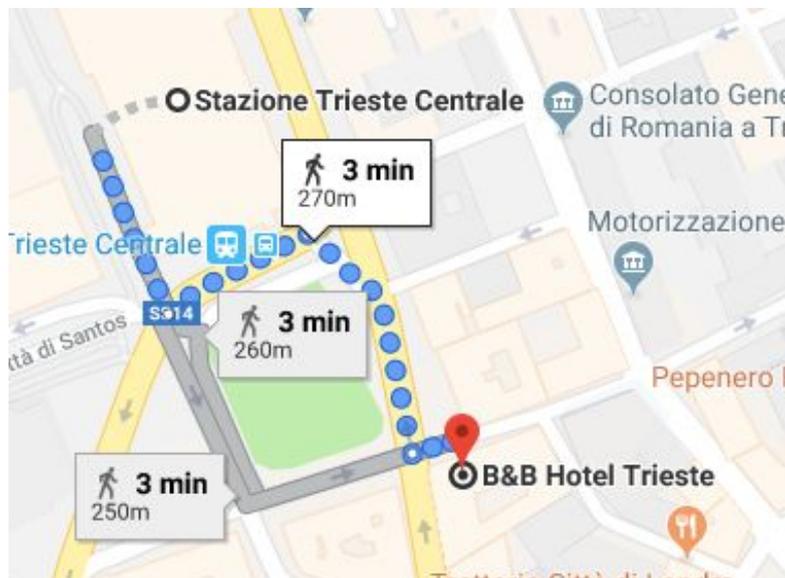

Please check the expiry date of your documents (passport and ID) in time.

Each participant received the official itinerary in pdf format by email. In this document it is specified the E-ticket number and the number of your reservation. At the moment of your arrival at the departure airport you need to communicate the E-ticket number and your name in order to do the check-in of your baggage (1 hand luggage + 1 checked-in luggage). We kindly remind you to carefully check your luggage allowance on the reservation we sent you. The Organization will not pay for extra luggage fees.

Any change of your travel itinerary is at your own expenses and under your personal responsibility.

2. Arrival in Trieste

The transfers from Trieste airport to the hotel and back are provided by the Deep Blue project organization. The driver will wait for you at the airport arrival holding a poster of the Deep Blue project. For those of you arriving by train, Central Station to the hotel is approx. 2 minutes by foot. Please see the map below.

3. Hotel

As already mentioned, the hotel address is

B&B Hotel Trieste
Via Sant'Anastasio, 1
34133 Trieste

At your arrival, in order to check in you need to show your ID document to the reception.

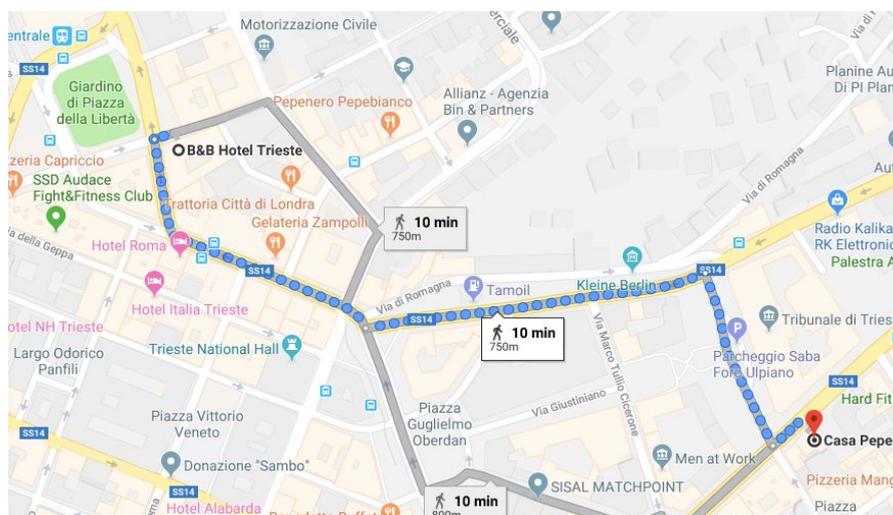

4. Meals

The meals (lunch and dinner) are provided by the project organization during the entire duration of the training. A dinner is also offered for the participants arriving on Sunday evening by 19:00/20:00. For both lunch and dinner the options are: vegetarian, fish, meat (no pork), pizza.

The venue of the lunches and dinners is 10 minutes walking far from the accommodation and 5 minutes far from the training venue:

Casa Pepe Restaurant
Via del Coroneo, 19
34133 Trieste

Here it is a map showing the restaurant and how to reach it from the hotel:

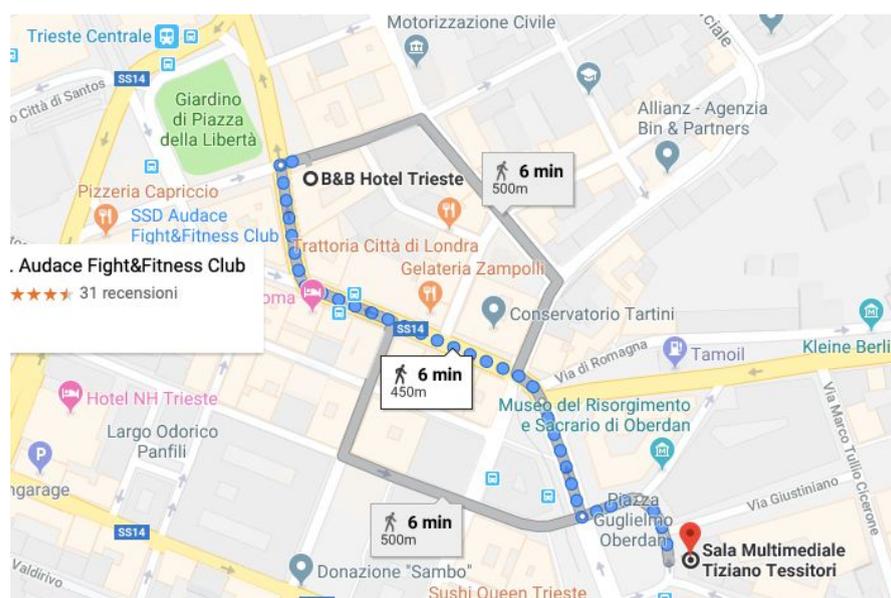

5. The Training

The Advanced Training will take place from Monday 23/09 to Friday 27/09. The venue of the training is 6 walking minutes far from the hotel at the following address:

*Regional Council Building
Piazza G. Oberdan 5
Trieste*

Room: *Sala Tiziano Tessitori - Ground floor*

Wi-fi is available.

On Thursday 26 the participants are invited to a field trip visit to an aquaculture plant at sea. You are kindly requested to bring suitable clothes needed for a boat trip (risk of water sprays), comfortable shoes (training shoes) and sun screens (lotion, sunglasses, hat,...) in case of sunny day.

In September the climate in Trieste is quite unstable and difficult to predict. You are invited to consult the forecast before your arrival to Italy.
